RGBW led strip con cavo governabile da telecomando - Scatola di derivazione con alimentatore e centralina RGBW - Possibilità di sincronizzare vari elementi e di controllarli con un solo telecomando.

RGBW led strip with wire and remote control - Electrical junction box with driver and RGBW controller - Thanks to RGBW controller you can synchronize more elements and use just one remote control.

RGBW led strip filaire avec télécommande - Boite de dérivation avec alimentateur - Grâce aux unités de contrôle synchronisées, le même effet de lumière peut être obtenu sur toute la composition en utilisant un seul telecommande.

cod. RT303-PZ0005 

Installare le ruote con freno e senza freno come indicato nel disegno.
Assicurarsi di abbassare la leva dei freni una volta scelta la posizione.

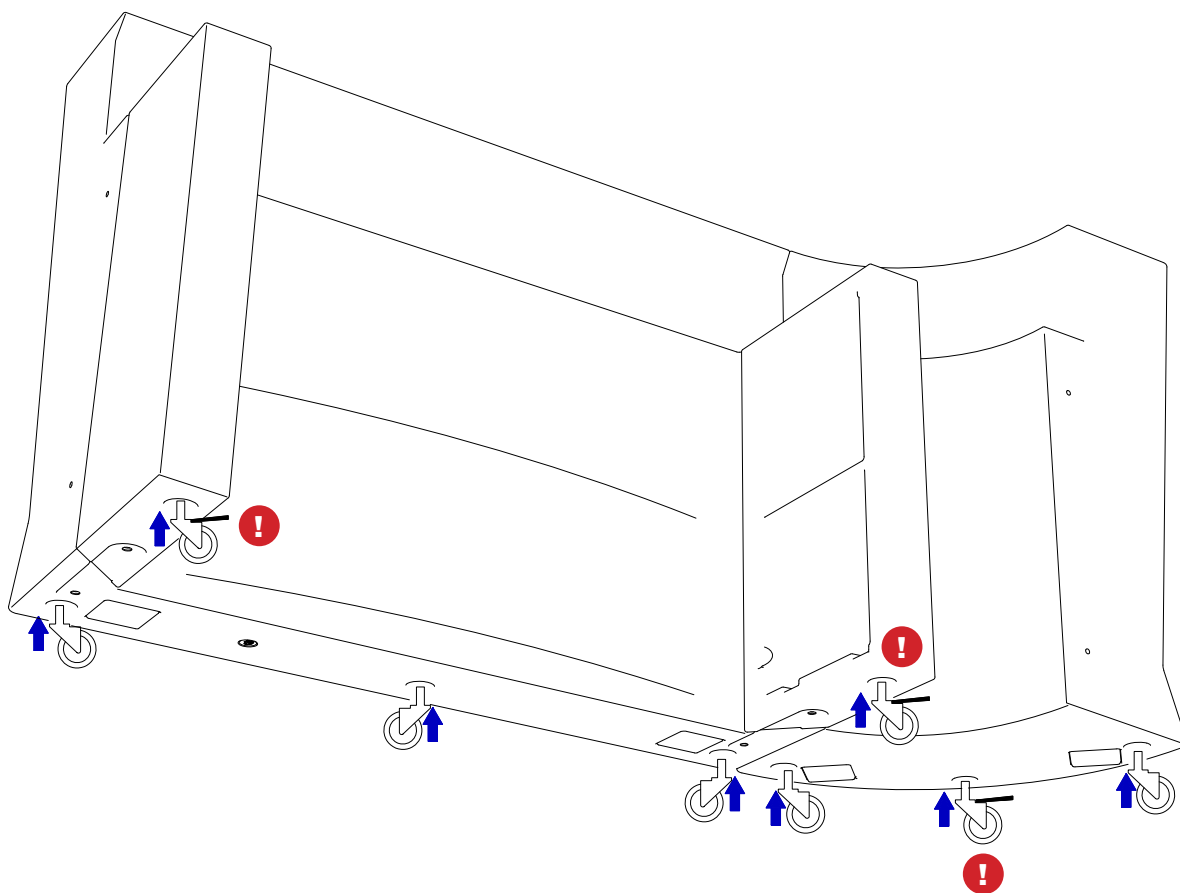

Fix wheels with and without brakes as indicated in the drawing. If you are not moving elements please pull down brake levers.

Insérez les roulettes avec et sans frein comme indiqué sur le dessin.
Si vous ne souhaitez pas déplacer les éléments abaissez les leviers des freins.

Ruota con freno - Wheel with brake - Roulette avec frein

Ruota senza freno - Wheel without brake
Roulette sans frein
